Air Fresheners

PRO Medilux PMX2A36 UV-C

Air Fresheners

PRO Medilux PMX2A48 UV-C

Air Fresheners

- Destroys microorganisms such as bacteria, fungi, yeasts, and viruses, including the CORONAVIRUS!
- Closed-type device suitable for public places with frequent movement of persons
- UVC power: 48W/36W
- Incredibly low noise due to its special fan < 20db
- Airflow for faster air purification: 57m³/hr
- 2x filter prevents from UV discharge lamp soiling, provides additional air purification, and prevents from UV radiation leakage
- LED status, service, and the need of UV discharge lamp replacement notification
- Multi-functional consoles that allow wall-mounting or desktop use
- Safety pin that automatically turns off the device when the cover is open
